### IoPP Anti Trust statement

The Board of Directors of the Institute of Packaging Professionals (IoPP) has publicly stated its support for the policy of competition served by Federal antitrust laws, and its intent to comply strictly with these laws. In support of this Statement the following is requested at this meeting: Every attendee should be familiar with the provisions of the IoPP Statement and General Rules of Anti-Trust Compliance.

The agenda for each meeting shall be followed, and permission of the chair must be obtained before any other matters of business are introduced.

During each meeting, there shall be no discussion of pricing methods, costs, volume or conditions of production or sale, allocation of territories or customers, or any discussion which might be construed as limiting any person from free access to any market, customer, or source of supply.

### Meeting Notes

- Paul presented a paper on what is needed for better cold chain design
- Dan Nicely is willing to share a calculator they developed to better understand cost for maintain temp.
